Hi Dawn,

I'm watching Mike's video/documentary now. I placed it on Facebook and I plan to put on my website too – I have other Internet Affiliates who might do that too.

This is so serious, but I told someone today, "We should not be discouraged but be determined!"

Just for FUN I wrote a spoof poem, based on the Grinch story ONLY this is about **"How the Grinches Stole Liberty."**

**If I already sent to you... I apologize. I hope you did OR you will enjoy the silly rhyme ... It has a good ending, I pray we will too**

Have a wonderful weekend!

Remember, Nothing shocks God off His throne, and He is still in control.

**Subject:** Quick Question - Mike's Video - May I announce on air?

Good Morning Dawn,

I saw an interview with Mike last evening - My husband had it, so I don't know who the interviewer was...

May I announce Mike's 3-hour video today on my show? (regarding the proof of election fraud/stolen) Did I understand the website correctly... [mikelindell.com](http://mikelindell.com) ? Loved Mike's encouragement to so many. God is always in the business of miracles. I believe there have been many of us drawn closer to Him because of the horrific downturn of our nation and it's morals. Christians must stand up! I believe God called me to pray on my show – not something a Nationally syndicated talk host does – but I do! I'm not bragging, I tried to talk God out of it – He won. 😊

I go on the air at 10:06 am CT

Thank you -
